IV. PATIENT'S DIAGNOSIS (To be completed by the physician)					
TV. PATIENT 3 DIAGNOSIS (10 De completed a	Jy III	e priysiciari)			
NOTE TO PHYSICIAN: The person named			•	•	
residential care facility for the elderly licensed by the Department of Social Services. The license requires					
the facility to provide primarily non-medical care and supervision to meet the needs of that person.					

<u>THESE FACILITIES DO NOT PROVIDE SKILLED NURSING CARE</u>. The information that you provide about this person is required by law to assist in determining whether the person is appropriate for care in this non-medical facility. It is important that all questions be answered.

d.	Able to Administer Own PRN Medications			
e.	Able to Administer Own Oxygen			
f.	Able to Store Own Medications			

#### **17. AMBULATORY STATUS:**

a.	1. This person	n is able to in	dependently	/ transfer to	and from bed:	Yes	🗆 No

2. For purposes of a fire clearance, this person is considered:

□ Ambulatory □ Nonambulatory □ Bedridden

**Nonambulatory:** A person who is unable to leave a building unassisted under emergency conditions. It includes any person who is unable, or likely to be unable, to physically and mentally respond to a sensory signal approved by the State Fire Marshal, or to an oral instruction relating to fire danger, and/or a person who depend upon mechanical aids such as crutches, walkers, and wheelchairs.

<u>Note:</u> A person who is unable to independently transfer to and from bed, but who does not need assistance to turn or reposition in bed, shall be considered non-ambulatory for the purposes of a fire clearance.

**<u>Bedridden</u>**: For the purpose of a fire clearance, this means a person who requires assistance with turning or repositioning in bed.

b. If resident is nonambulatory, this status is based upon:

Physical Condition	Mental Condition	Both Physical and Mental Condition
--------------------	------------------	------------------------------------

c. If a resident is bedridden, check one or more of the following and describe the nature of the illness, surgery or other cause:

Ilness:	 	
Recovery from Surgery:	 	
Other:		

#### NOTE: An illness or recovery is considered temporary if it will last 14 days or less.

- d. If a resident is bedridden, how long is bedridden status expected to persist?
  - \_\_\_\_\_ (number of days)
    \_\_\_\_\_ (estimated date illness or recovery is expected to end or when resident will no longer be confined to bed)
  - 3. If illness or recovery is permanent, please explain:

e. Is resident receiving hospice care?					
□ No □ Yes If yes, specify the terminal illness:					
18. PHYSICAL HEALTH STATUS:	Good	🗌 Fair	Poor
